

Caution! Wet floor!

Pict. 1: RS 300

DESCRIPTION

The RS 300 warning sign printed with „CAUTION WET FLOOR“ / ACHTUNG! RUTSCHGEFAHR” is the cost-effective, essential device for increasing safety of customers, guests and staff.

The yellow high-lighted colour is highly visible and is most easily to handle: simply spread the two sides and place the sign wherever needed to avoid accidents.

Not only the printed red logo, but also the bi-linguistic writing (German/English) make the message fully understandable to everybody.

Foldable for space-saving storage.
