

The flexible solution for cordoning off long distances in a quick and flexible way (up to 20 m) with reflective rope, brake and additional slow restrictor.

Pict. 1: wall mount unit GLW 2011 with retracted rope (yellow, reflective)

Assembly with metal bracket, via screws e.g. to the wall, alternatively to the **ALLROUNDLINE** barrier ALA 0022.

Attachment of the rope end by using a hook.
